Dear Sherrie Schmidt,

I am a mineral estate ownership researcher in Morgantown, West Virginia. I understand that you may have inherited property from your mother, Dorthy Schmidt, as a descendant of Elizabeth Ammons Bean. If you are a partial owner of this property, I would be interested in purchasing it from you.

The property in question is a mineral tract located in Monongalia County, WV, and was devised to the bodily heirs of Elizabeth Ammons Bean by Isaac Ammons, her father.

I would like to communicate with you concerning your family tree and how your mother was related to Elizabeth Ammons Bean.

If you are interested, please feel free to write back or call me at (304) 216-1034.

Respectfully,
Charles A. Aucremanne
